# Pastor's Page- Rev. Dr. Millie L. Kim

When I was visiting California this spring, I had an opportunity to go to a small museum dedicated to Rosie the Riveter in Richmond, CA. As you all know, Rosie is a cultural icon that represents the women who worked in factories and shipyards during World War II. For me, Rosie symbolizes a time in our history where women were recognized as essential in the male dominated workplace and deemed capable of doing the work their male counterparts did. Two terrible World Wars brought this opportunity to show and prove women's worth and capacity, not just in America but also in different parts of the world. It

indeed was a pivotal moment in history for women.

Another story from World War II: we all have heard of D-Day although it is becoming a faint history now. On June 6, 1944, the Allies began a massive invasion of Europe, landing 156,000 British, Canadian and American soldiers on the beaches of Normandy, France. American General Dwight D. Eisenhower and British Prime Minister Winston Churchill didn't agree on many things, but they agreed that small landing crafts designed by Andrew Jackson Higgins used on D-Day were the primary reason the Allies won World War II. "Andrew Higgins is the man who won the war for us," said Eisenhower in a 1964 interview, years after his term as President. "If Higgins had not designed and built those small LCVPs (Landing Craft, Vehicle and Personnel), we never could have landed over an open beach. The whole strategy of the war would have been different." (Taken from Thursday Review)

So why am I telling you these stories? We have just gone through and are still at the tail end of a global pandemic that has shaken up the world. The years 2020-2022 will remain in our history as one of the most challenging times we have faced just like World War I & II. This pandemic took more lives than the combined American casualties of World War I & II. For some reason, we are taking this nonchalantly but we are just coming out of a major trauma in our history. Men and mega war crafts played a big role in surviving these World Wars but women and small crafts played a pivotal, essential role in bringing peace to the world. I want us to remember that.

We are not Northpoint Church; we are not Trinity Church in New York. We are not a big church and we are certainly not the richest church in America. We are a small church manned by women (and a few good men). But we are a church that makes a difference among our members and in our community. After a big trauma like this pandemic, we need to be intentional about building our church up (that means, keeping up our vows: prayer, presence, gifts, service, witness), being kind to one another, and helping those who are in need. We can do it!

Let me say this again, "We can do it!" Your Pastor, Millie

## **In-Person Bible Study begins on August 25**

*Who Can We Be Together? A Biblical Exploration of Luke 13*, the 2022 adult curriculum by Candace Simpson brings participants deeper into Jesus' teachings in this chapter of Luke to explore what it means to be in community. As the author notes, "For followers of Christ 2,000 years later, it's important for us to sit with the range of emotions we have in response to these words. It's not easy to build and sustain communities, especially when there are forces that drain us, exhaust us, and even push us to act uncharacteristically. And yet, we are called to act on the most ethical principles of our faith so we can witness the kin-dom of God on earth."

Just us in the fellowship hall Thursdays at 11:00 a.m. as we learn more about how to be in community with those in our church, our community, and our world.

## **Thank You to Our Volunteers!**

I want to say a big "THANK YOU" to all our VBS volunteers. Each one of you made our week so special. We had about 25 kids that we welcomed this year and it was so wonderful to see their smiling faces each day. Special thanks to Reverend Millie for creating our original Encanto theme. I believe we touched each life during our week and I thank God for each one of you who helped with that.

Emily Embree, Children's Director

## **Blessings from Bible School**

Our VBS Mission Project this year was for Restoration Rome's Birthday Kids program which provides a box of supplies to help families celebrate their children's birthdays.

Everyone was encouraged to bring donations of birthday cards, cake mixes, frosting, candles, sprinkles, decorations, and other items to make a birthday special. As you can see, we had a great response and were able to contribute just over 100 items in total!! What a blessing!

#### Well Done, Second Avenue!

Thank you to all who contributed to our recent paper drive. We were able to donate 8 rolls of paper towels and 129 rolls of toilet paper to the Salvation Army, as well as 4 towels and 2 pairs of new socks.

## More Opportunities to Help Our Neighbors in Need

The Salvation Army still has a need for the following items. If you'd like to help, please drop off items at the church during office hours or at worship times.

•12 oz Gatorades (They have <u>plenty</u> of water. They have a cooler outside of one of the facility doors where they put water and Gatorade every morning.)

•New and used towels

For more information, please contact Nina Wheeler (706-506-9528).

## With Deepest Sympathy

## Julianne Mathis

November 8, 1949–July 13, 2022 (Age 72)

It is with deepest sympathy that we mourn our dear friend and sister in Christ, Julie Mathis, who passed away on Wednesday, July 13. Please be in prayer for her sons and the family.

To 'be absent from the body is to be present with the Lord' but we will miss her here in our midst.

## **United Methodist Women in Faith News**

Even though we are taking a break for the summer, you can still give to missions through UMW as well as any extra offerings to the Ruth and Naomi House breakfast program. **Checks need to be made out to 2<sup>nd</sup> Ave. UMW**, and given to our treasurer, **Susan Stroup**, or to me.

**ALL ladies of the church are invited** to come and be a part of United Methodist Women in Faith! Please come and enjoy good food, fun fellowship, and an inspiring program each month. I look forward to seeing you at our September 10 meeting!
